

DUROPAL BENKEPLATER

Velg mellom fantasifulle mønstre, trereproduksjoner eller moderne énfarger. Sortimentet består av 16 ulike dekorer og 3 ulike formater - alle standard.

Duropal benkeplater tåler det meste:

- Ripefrie og slitasjesikre, den harde overflaten tåler årevis med tøff behandling.
- Tåler inntil 230°C, varme gryter kan plasseres rett på platen.
- Tåler slag og støt.
- Tar ikke skade av rødvin, fruktsyrer, vandamp eller direkte sollys.
- Tåler alle vanlige husholdningskjemikalier.
